

## **Dermefface FX 7™ by Skinception™**

### **Erase Scars!**

What do a pencil and Dermefface FX7™ Scar Reduction Therapy have in common? They both erase things. Only with Dermefface FX7™ Scar Reduction Therapy, the canvas is the human body, and the reward is sexy skin with visibly faded scarring.

Hope that got your attention, because plenty of folks have scars they'd prefer to not have. And when you help erase those reminders of physical trauma and give these clients the sexy skin they desire, they'll be very grateful indeed. Translation: hefty commissions!

Your wallet is about to get bigger thanks to Dermefface FX7™ Scar Reduction Therapy. Interested?

Dermefface FX7™ Scar Reduction Therapy is a natural process that works with the skin's 28-day regeneration process. We've designed it to stimulate a healthy balance of collagen production, push 'scarred' skin cells to the surface where they're sloughed off and replaced by normal, healthy, vibrant and scar-free skin cells for the world to admire!

### **Product Format**

Offered in a tube lasting thirty days. Applied twice daily, once in the morning and again in the evening.

### **Target Audience**

Men and women age 21+ who want to increase their sex appeal and erase the embarrassment of scars on their skin.
